Proof of Concept Successful in Optimizing FIX Market Data Messages Using the FAST Protocol

FPL is pleased to formally announce test results from the Market Data Optimization Working Group Proof of Concept (POC), a focused effort designed to develop practical solutions for the efficient dissemination of market data. [19 December 2005]

Release of the 2005 FIX Global Survey

FPL and TowerGroup were pleased to release the results of the 2005 FIX Global Survey. The Survey was an enormous success, drawing from nearly 600 firms worldwide, and provides a comprehensive perspective on the adoption and utilization of FIX across the global capital markets industry. [8 December 2005]

FPL Responds to Giovannini Recommendation

FPL responded to the latest draft protocol recommendation. Visit www.fixprotocol.org in the What's New section on the home page to see FPL's complete response to this important initiative. [3 February 2006]

FPL Unveils Redesigned Job Postings Site

FPL is pleased to announce the launch of their redesigned job postings site. This new fee-based facility is prominently displayed within the FIX website (fixprotocol.org) appearing as a menu item under "FPL services". [20 December 2005]

***FIXGlobal* is looking to expand its readership within the academic community**

If, you know of any academics that you believe would like to receive future editions of the publication, please email Daniella Baker, FPL Marketing and Communications Manger at Daniella.Baker@fixprotocol.org
